Summer Training

GeeksforGeeks   **April 2023 - June 2023**

Data Structure and Algorithm.

- The course DSA Self-Paced from GeeksForGeeks who provide me the golden opportunity to learn a new technology from home
- This course is helpful to perform do well in technical interviews.
- Going through all topics thoroughly made me confident enough to crack the coding test and technical interviews.

Projects

Fitness Calculator / *Python-Project*   **June 2022 - July 2022**
- Project of "Fitness Calculator" is purely made in Python, with a good user-friendly interface which lets the user enter the various values required to be input in order to calculate how fit the person is.

Calendar Events: / *Java-Project*   **Feb 2023 - March 2023**
- Project is purely made on Java program that creates an event calendar where users can create and view events for a specific date and time. The program uses the command-line interface (CLI) for input and output.

Course List App: / *Android-Project*   **March 2024 - April 2024**
- The Course App, developed using Kotlin programming, offers a dynamic platform with a user- friendly interface for accessing educational courses. Leveraging Kotlin's versatility, the app seamlessly integrates various functionalities to enhance the user experience.

Certificates

Data Structure and Algorithm (Self-Paced)   **June 2023**

GeeksforGeeks — Certificate Link

CompTIA Linux+ XKO-005   **November 2023**

CYBRARY — Certificate Link

Advanced React   **November 2023**

Coursera — Certificate Link

IBM Cloud Essential   **December 2023**

edX — Certificate Link

Technical Skills

Languages C++, Java, HTML — CSS, JavaScript, Kotlin

Technologies/Frameworks: Android Development, Kali Linux, Wire Shark, SQL Queries, Git, GitHub

Skills: Data Structures and Algorithms, Problem-Solving, Responsive App Designing

Achievements

Attained a 4 - star rating in Data — Structure: **November 2023**

Secured 644th rank on GFG by solving 300+ programming problem.   **September 2023**

Education

Lovely Professional University Punjab   **2021 – 2025**

Computer Science and Engineering   *Jalandhar, Punjab*

GM College Bettiah   **2019 – 2020**

12th with Science — Percentage: 81.6%   *Bettiah, Bihar*

National Public higher higher secondary school   **2016 – 2017**

10th with Science — Percentage: 78.6%   *Bettiah, Bihar*
